

ACCOUNTGST ERP SOFTWARE – PRIVACY POLICY

Gridsonlab Private Limited

Registered Address: 26, Jasmine Park, Treasure Town Road, Near Bijalpur, Indore (M.P.) 452012

1. Introduction

This Privacy Policy explains how Gridsonlab collects, uses, stores, and protects customer data.

2. Data Ownership

All data entered into AccountGST ERP remains the sole property of the customer.

3. Data Usage

Data is used strictly for:

- Technical support
- System performance optimization
- Issue diagnosis
- Internal analytics

4. No Third-Party Sharing

Gridsonlab does not sell, share, or distribute customer data to third parties.

5. Data Storage

Data is securely stored on cloud servers with industry-standard security measures.

6. Access Control

Access to customer data is restricted to authorized support personnel only.

7. Customer Responsibilities

Customers must secure login credentials, maintain data accuracy, and ensure safe usage.

8. Policy Updates

Gridsonlab may update the Privacy Policy as needed. Continued use means acceptance of changes.
